

“Let’s Make Hearing Loss Visible”

FOR IMMEDIATE RELEASE
July 12, 2017
HLAA Chapter of South Palm Beach County

Summer Hot Line for Free Hearing Aid Help

Delray Beach, FL - July 12, 2017

The South Palm Beach County Chapter of the Hearing Loss Association of America has announced the introduction of a new “Hot Line — First Aid Assistance” service for members during the summer months.

In the event that a chapter member encounters any difficulties with their hearing instrument(s), please contact Phil Fleischer, Hearing Aid Advisor, at 561-495-8878 or fleischer285@gmail.com, to discuss the problem. Many issues can be resolved via instructions over the phone or by email. If necessary, Phil will arrange a personal meeting, by appointment, at the South County Civic Center or any other convenient location. This service is part of helping hard of hearing members deal with issues that may occur while depending upon hearing aids.

The South Palm Beach County Chapter of the Hearing Loss Association of America is a non-profit, non-sectarian educational organization devoted to the welfare and interest of those who cannot hear well. The purpose of the monthly meetings, held in Delray Beach, is to bring help, hope, and happiness to people with all degrees of hearing loss — to help them understand their challenges, learn how to deal with them, and cope with day-to-day situations in a hearing world.

For more information about joining or supporting the HLAA of South Palm Beach County, please contact Manny Pallant, Chapter President, by email at hlaaspbcc@gmail.com.
